

**Town of Whitchurch-Stouffville Council  
Members Motion**

---

**Date:** May 15, 2024

**Moved by:** Councillor Upton

**Seconded by:**

**Subject:** Installation of Stop Signs – Glad Park and John Davis Gate

---

**WHEREAS** the transportation network provides connectivity for residents, businesses, and visitors across the Town of Whitchurch-Stouffville; and

**WHEREAS** stop signs are used to safely control the flow of traffic at intersections; and

**WHEREAS** the safety of Whitchurch-Stouffville residents, including motorists, cyclists, and pedestrians, especially children, is a primary importance; and

**WHEREAS** Glad Park Avenue and John Davis Gate form a 4-legged intersection; and

**WHEREAS** stop signs are currently installed on two (2) legs of the intersection, namely, on John Davis Gate; and

**WHEREAS** this stretch of Glad Park Avenue, that is of extensive length with no traffic control and in a high-density area, where speeding traffic is a major concern for families; and

**WHEREAS** there are two elementary schools in the vicinity, St. Mark Catholic Elementary School, and Glad Park Public School, which generates large amounts of children foot traffic;

**NOW THEREFORE BE IT RESOLVED THAT** staff be directed to install stop signs on John Davis Gate at the intersection of Glad Park Avenue and John Davis Gate as soon as possible.
