**Subject:** On-Street Parking - Brown Lane & Betula Gate

---

**WHEREAS** housing affordability continues to be a challenge for many residents in the Town of Whitchurch-Stouffville; and

**WHEREAS** multi-generational households are becoming more common; and

**WHEREAS** the parking requirements for these multi-generational households exceed the parking available; and

**WHEREAS** the right-of-way on Brown Lane and Betula Gate is a sufficient width that allowing overnight parking on the road will not adversely affect emergency response;

- On the south side of Brown Lane between nos. 5 and 35,
